1. In accordance with the request expressed in EOQA-33039, that we break all contact with CANLEY-2, it is requested that Headquarters please note that there has been no further contact with CANLEY-2 on the part of either KUFIRE or KUGOWH personnel here at EOB. The necessary precautions are being taken to change agent telephone numbers which were given to CANLEY-2.

2. With reference to the study of the CANLEY-2 case done by [] and forwarded to us as EOLA-6206, we wish to commend [] on the excellence of his analysis of the situation. After a careful study on our part, we regretfully must admit that the errors committed by EOB, though both errors of omission and commission, cannot be denied. We recognize the ZIPPER claim to Subject, and will make no further efforts to exploit any leads or contacts he has to offer us, for purposes of meeting the KUFIRE objectives. We regret the embarrassment to POB caused by this unfortunate handling.
